the business has developed to rapidly that it can be under the standard of the control of the co addition to the botel husiness of the city by reason of the fact that important financial visitors would be enabled to bring their families with them when they come to Tulas for the city while touring other sections of Oklahoma. It is a well known fact that every night literally hundreds of travening men get out of Tulas on the late trains in order to secure hetel ascenimedations in nearby smaller towns and cities because of the institution of the chainess of Thosa with a waiting list and a capacity business without sectously interfering with the business of Thosa who now have their money invested in hotel praperties.

Financing no Problem.

Decide In Your Own Home

TF you are considering the purchase of a phonograph you can have no greater assurance of lasting satisfaction than to hear it just as it sounds in your own parlor.

Better still, have not only one, but two or three competing instruments sent to your home, on approval, that you may compare them impartially and without the persuasion of interested salesmen.

We'll Send

of Records

So heartily do we welcome this comparison that we'll gladly send Mr. Edison's great new musical instrument, with a selection of Re-Creations, to your home on approval. Arrange with any talking machine representative to do the same. We'll give you a list of artists who have made records for both. Play them side by side—and judge. We ask no better opportunity than a direct comparison of the New Edison with any talking machine, right in your own home.

EASY MONTHLY TERMS ARRANGED TO SUIT

Ask us about our partial payment plan on all lew Edison Instruments. Easy Monthly Terms Arranged to Suit. Some models as low as \$9 per month.
